

MP3 & Video Player Quick-Start Guide models 215/415/418/818

NOTE: This MP3 player is only compatible on PC's and laptops running Windows 2000 or newer. This unit will **not** work with Apple operating systems.

Important -A full version of the Instruction Manual (IM) for this player model has been pre-loaded into the players' flash memory and is located in the main root directory. To access the IM file view it on your computer, connect the player to your PC using the USB cable. Open the MP3 USB file directory and "Drag & Drop" the document title; **VIDAO 215-818 Instruction Manual.pdf** from the players' memory to the desktop of your PC. Double-click the icon of this IM to open and view the manual.

NOTE: If your PC is not capable of viewing files in the PDF file format, type the following address into your internet browser, <http://get.adobe.com/reader/otherversions>, and download a free version of Adobe Reader to instantly view the instruction manual file.

Important – Before Video files can be viewed on this Player the "Video File Conversion Utility" (pre-loaded on this Player) must be installed on your computer and video files must be converted to properly play. It may take from 2 up to 5 minutes for this software to install on your computer. See the full instructions for this process which are found in the Full Instruction Manual pre-loaded on the Players' flash memory drive.

For the experienced computer users, this Player will be very easy to use. This Quick-start guide allows users to quickly load and start playing music, video and photo files, but we recommend reading the entire manual to understand all of the Players' features.

As with any 'plug and play' USB storage device, most digital media files can be added to the Player from a computer by simply using the 'drag and drop' approach familiar to most Windows users.

Charging the Player

Before attempting to use the Player, be sure to fully charge the battery by connecting the Player to your PC using the USB Charging and Transfer Cable. A complete charge takes around three hours.

- **BATTERY LEVEL ICON:** The batter icon shows remaining battery power in 4 levels
 - Solid Icon: Battery is fully charged
 - Blank Icon: Battery is fully depleted and needs to be recharged to continue operation

Turning On / Off the Player

After charging the Player and loading digital media files, switch the Player 'ON' by sliding the master power switch on the side to the 'ON' position. If the Player screen does not power up, press and hold the [PLAY] button until the screen powers on. To turn the PLAYER off, slide the master power switch to the 'OFF' position or press and hold the [PLAY] button until the screen powers off.

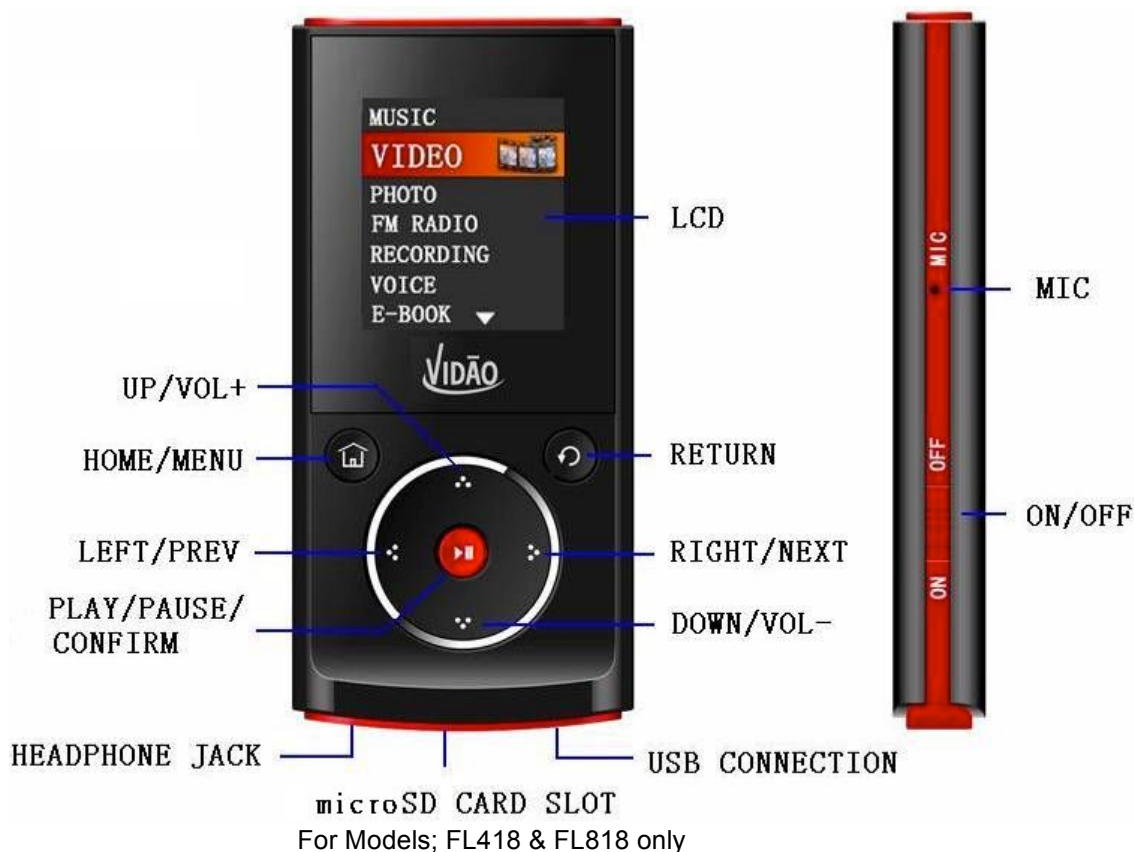

Loading music, pictures, videos or eBooks to the MP3 player.

1. Connect the MP3 player to your PC or laptop with provided mini USB (B) cable. Windows should detect, install, and auto play the device.

NOTE: This MP3 player is only compatible on PC's and laptops running Windows 2000 or newer. This unit will **not** work with Apple operating systems.

LIMITED 90-DAY WARRANTY

We warrant this product to be free from defects in material and workmanship under normal use for a ninety-day period from the original date of purchase from an authorized VIDAO dealer.

Should you be missing any of the included accessories or other components (screws, pieces, etc.), please contact the Customer Support Center to secure a replacement. It is not necessary to bring the unit back to the store. When calling, please reference the parts list found in the Instruction Manual to help us accurately identify the missing parts and promptly provide replacements.

We will replace the unit free of charge should it become defective under this warranty, providing you, the original purchaser, have your original dated sales receipt.

To obtain warranty service or replacement within the ninety-day warranty period, please return the product with all parts and accessories along with your original dated store receipt to the original place of purchase and the unit will be exchanged at no charge. It is not necessary to contact the manufacturer for warranty replacement.

Our Customer Support Center is available Monday - Saturday (10:00AM to 7:00PM EST) for technical assistance or troubleshooting. To contact us, please call 1-855-998-4326.

This warranty applies only under conditions of normal use. Our products are not intended for outdoor use.

There are no consumer serviceable parts contained in this product and any attempt by the owner to service or repair the unit will immediately void all warranty coverage.

This warranty does not cover any product which has been subject to damage due to an act of nature, misuse, neglect, accident, abuse, commercial use, or modification of, or to, any part of the product, including the antenna. Damage to any external media such as DVD & CD discs, and/or USB or other memory devices are not covered nor is the cost incurred in shipping the unit for warranty repair or exchange. Under no circumstances shall VIDAO be liable for any loss (direct, indirect, incidental, foreseen, unforeseen, special or consequential) or for any damage arising out of, or in connection with, the use of this product.

UNDER NO CIRCUMSTANCES WILL VIDAO BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES.

This warranty does not cover re-manufactured, refurbished, or repaired units, or any products sold 'As Is'.

This warranty is valid only to the original purchaser of the Product in the United States and Canada and grants specific legal rights.
